Monthly Principal Report July 11, 2017

NEW INFORMATION:

- **After School Care**

- This last month I have met with several individuals and worked diligently on creating a variety of opportunities for our students through the aftercare program. Contacts have been made with the Charlotte County Extension Office (setting a date to meet and discuss options), Charlotte County Public Library (spoken on phone and working to devise a plan to collaborate on getting books in the hands of our students), Bricks for Kidz, Lego Club (meeting scheduled for July 5th), Lightmark Aerial (Drone Company), musical outlets, and two different Martial Arts Schools. This list does not include the teachers in our building who will be offering after school clubs as well through collaborators at FGCU and beyond. Here are some of those ideas: STEM Tour Teams, Journalism, Reading, Girls on the Run, and other areas of interest that emerge with our students.
- The afterschool program will be designed to provide a safe and engaging environment for our students beyond the school day. Parents have been informed that there will be a cost to implement some of these programs due to the time of those sponsoring. There are not currently stipends in our budget and we will need to compensate teachers for their extended time and purchase supplies. One example of this is the STEM Tour Team. This club requires the students and teacher to log many hours of preparation prior to the competition. The teacher and I worked on a budget for this club specifically to get an idea of a reasonable cost and we believe we can offer the club for approximately \$70 for the year. This would cover her stipend and supplies for the club.
- After school care and extracurricular activities should be considered two different services. The care provided by the school is designed to be a

minimal cost and a service to families to bridge the transportation gap for families if needed. Extracurricular activities are truly specific enrichment activities that parent are permitted to enroll students in if they desire specific areas of opportunity (STEM Tour, Girls on the Run, and others). The before/after coordinator and I are beginning to build a schedule to honor as many opportunities as possible.

- **School Planning Information**

- Teachers have willingly continued to meet and make school decisions to get our school year started strong.
- Required Teacher Trainings will be offered in coordination with Charlotte County Schools: Bloodborne Pathogens, Safety, Confidentiality, First Aid, and others we deem necessary.
- Furniture will have been delivered and assembled by the time of this report.
- The coordination of classroom supplies and student supplies are currently being coordinated.

- **MySchoolBucks**

- The MySchoolBucks site will facilitate our school store and allow parents to pay on-line. This reduces the amount of handling of money for our very small staff and keeps our organization efficient with the procedures set in place with MySchoolBucks. Many local schools utilize MySchoolBucks for the same purpose.
- Parents will be able to purchase uniforms and other BNS items in the store, pay school fees, lunch costs, clubs, field trips.
- There is a 3.95% fee to parents for the service.
- By the time of the Governing Board Meeting this site will be launched.

UPDATES:

- **Budget**

- Teacher Contracts are being signed (you will be voting on this on Consent Agenda) and I am pleased to share I was able to hire all staff at the budgeted amount.
- Christy continues to work with CenturyLink to negotiate an acceptable and affordable rate for our budget.
- The expenses related to our monthly utilities may be an area of necessary adjustment as we begin to acquire the actual numbers.
- **Custodial Bidding Process**
 - I met with a company on June 7th, they are working on quote for custodial services.

- This service is outside of our budget, but we will need to pursue a contract in the weeks ahead.

- **Buildings and Grounds Update**

- Our school is on schedule to open and will be ready for the required teacher trainings and students to begin on August 10.
- Our team will be trained on the school systems on July 14
- Furniture Delivery July 3rd and assemble on July, 5-7

- **Enrollment Updates**

- Lottery June 23, 2017
- Here is the current chart for enrollment as of June 28, 2017. Parents have until Friday, June 30, 2017 to accept seats awarded during the last lottery.
- The next lottery will take place on July 5, 2017.
- Currently, there are approximately twenty-five families that requested transportation on our records. Seven of those are from Charlotte County and that accounts for approximately eleven students.

	Applied	Waitlist	Confirmed	Accepted
K		10	30	4
K				
1		6	18	
2		5	18	
3	2	4	18	
4			22	2
5	1		15	
6			21	2
			142	8

- **Transportation**

- Transportation Surveys were sent to parents on June 26, 2017, to collect information from families interested in paying for transportation on their own. The families have until July 5 to respond to the survey. Currently ten people have responded. Good Wheels will be working out details and obligations with parents if enough individuals are interested.

- **Curriculum**

- **Project Lead The Way Training**
 - Lori McLain attended training June 26-28 for the Environment and Energy Model.

- Extended thanks to Rachel Boyce who helped make sure our staff was able to attend the training at FGCU.
 - All teachers will be trained in the K-5 Launch Program July 31-August 1.
- **Assessments**
 - Our team is working on deciding if we have time and space to conduct Kindergarten Screenings the last week of July.
- **Uniforms**
 - Cost was considered in our selections
 - Shirts will be \$15/shirt and they must be purchased through the school (three school colors: sapphire, green, and gold)
 - Bottoms are permitted to be khaki, black, or navy blue (this allow families who have previous uniforms to utilize their inventory)
 - Nate Sallee is working with us to offer uniform bottoms at a discounted price for families who will need to purchase (these do not have to be purchased through the school).
- **Parent Meetings**
 - The parent meeting were well attended with approximately 75 people or more each night.
 - A presentation was given covering a variety of topics, questions were answered and culminated on a Q & A sheet that has been shared with those families who were unable to attend, along with the presentation.
 - The feedback was very positive

UPCOMING DATES:

- **August 5, Back to School Burger Flip**
 - RSVP for parents to attend was sent on June 30, with responded due by July 14.
 - Open House: Supply Kits, Transportation Packets, Uniform Pick-Up
- **August 10, First Day of Awesomeness** with students at Babcock Neighborhood School
 - Working with Charlotte County JROTC to possibly provide a Flag Ceremony Opening Morning

21. Other Employment: Employee shall devote all of his/her time, attention, knowledge, and skills solely to the business and interest of School during working hours and shall not be otherwise employed while employed by the School unless there is prior approval from the Principal. The School shall be entitled to all of the benefits arising from or incident to all work and services of Employee. Furthermore, Employee shall not, during the term hereof, be financially interested directly or indirectly, in any manner, as partner, officer, director, stockholder, advisor, employee or in any other capacity in any other business similar to the School's business or any allied trade unless approved by School.

Upon obtaining prior written approval from the Principal of School, the Employee may undertake for consideration outside professional activities, including consulting, speaking, and writing. The outside activities shall not occur during regular School work hours. The School shall not be responsible for any expenses relating to such outside activities. Employee is not authorized to act on behalf of or contract School to any activities contemplated by Employee without permission, and Employee agrees to indemnify School for any damages caused by Employee's activities outside of Employee's work duties for School.

22. Restrictive Covenant: In the event that Employee chooses to contract with families of School students for the delivery of professional services, Employee shall not enter into such agreement with the families of students in the Employee's classroom. This represents a conflict of interest and may result in termination of this agreement.

Benefits

23. Employee benefits shall be provided as set forth in the employee handbook.

Termination

24. Termination by School: Employee agrees and understands that the employment relationship is At-Will; employment may be terminated at any time by School, for any reason or for no reason, with or without notice. 25. Termination by Employee: Employment may be terminated at any time by the Employee with two (2) weeks' notice. Employee agrees to the following in exchange for employment at School:
- A. Failure of Employee to provide the full two (2) weeks required notice will result in Employee's last paycheck being held for an additional pay period in order to ensure any deductions for costs incurred by School as a result of an act or actions by Employee have occurred.
 - B. Providing notice is a professional responsibility as well as a necessity for School to maintain a continuous and productive learning environment for School students. Pursuant to Sections 1002.33(16) and 1012.335, Florida Statutes, School will provide notice of failure to give proper notice to the Educational Practices Commission.
