**Summer Camp Placement:** Summer camps are filled on a first come, first serve basis. *The order of placement is based on the date and time the registration fee is paid. (along with a completed registration form)* If your first choice is full, your child will be placed in their second choice. (and on the waitlist for their first choice) If the second choice is not filled out, we will place your child on a waitlist for the first choice. After the April 30th full payment deadline, we will notify families of their camps.

**Payment Policy:** There is a \$25 non-refundable family registration fee. Full payment for camp(s) is due by April 30th. Refunds are available only if the class/program is changed or cancelled, excluding those cancelled due to an act of nature. Refunds will not be issued once program has begun, unless accompanied by a medical excuse. NO refunds/credits for missed days within a session. All requests must be submitted in writing. BNS Summer Camps reserves the right to deny registration to any program and to charge fees where applicable. I understand and agree that After Care ends at 5:30PM. A fee will be charged for late pick up. I understand that payment for Before/After-Care is due prior to using care. Any balances from the 2018-19 school year must be paid in full to attend camp.
