The Ultimate LEGO Challenge!!!

(*echoes* "challenge...challenge...challenge.....")

Do you have the NEED!? The NEED for slow, calm, PRECISION, PATIENCE, and ACCURACY!?!? Then do we have the class for you!

In this Babcock After-school Club we will be following fun and interesting schematics, completing individual challenges, and teaming up to make giant works of art! Including, but not limited to, Pyramids, Bridges, Starships, maybe even..... Voltron??? If you are like Ed Sheeren and enjoy picking up the pieces to build a lego house in order to knock it down, then this is the club for you!!!

Grades: All Grades

Attributes: Creativity, Teamwork, Individual Task Completion, and Implementing Concepts.

Teacher: Mrs. Stacie Smith and Mr. Cameron Smith

Day of Week: Monday

Pricing: \$150 per Semester

Art Through History

Every Week we will be traveling back through time and learning about popular forms of art and the people that made it! Then we will try to recreate their masterpieces using the tools that were available to them at that time! From Cave Paintings to Pottery, from Bronze Shields to Frescos we will try to cover all of the bases and have way too much fun doing it!

Grades: All Ages* (* This class will be part lecture and for certain weeks may require standing in place for long periods of time, Priority will be given to older students but if room is available it is open to All Ages :))

Attributes: Perspective, Dexterity, Hand Eye Coordination, and Creativity

Teacher: Mr. Cameron Smith and Mrs. Stacie Smith

Day of Week: Monday

Pricing: \$150 per Semester (Supply Fee - \$25)

Craft Club

Ooh that looks cool! Pin it! Ooh ooh that looks cool too! Pin that as well!

So last year we did fluffy slime and sparkle slime, giant bouncy balls, wooden bird feeders... hmmm... what should we do this year!?!? How about... Magnetic Slime, Homemade Spectroscope, Animal Cake, and..... a Gingerbread House! Also twice a year we will take a vote on a craft you guys find! This should be a blast!!!!

Grades: All Ages

Attributes: Creativity, Following Instruction, Independence, and Dexterity.

Teacher: Mrs. Stacie Smith

Day of Week: Tuesday

Pricing: \$150 per Semester (Supply Fee - \$25)

Drone Racing and Basic Aeronautics Club

Yes you read that correctly... Drone.....Racing...

Half of the class will be spent learning Basic Aeronautics and the second part will be spent learning how to fly and race drones. Also throughout the year we will be bringing in professional Drone Pilots (And Hopefully their drones!) to explain how Drones can be used in a career.

Grades: 4th and Up

Attributes: Hand Eye Coordination, Patience, Timing, and Dexterity.

Teacher: Mr. Cameron Smith

Day of Week: Tuesday

Pricing: \$200 per Semester (Supply Fee - \$15)

Junior Thespians

Are you interested in acting, musical theatre, playwriting, improv, costume design, makeup design, or set design? Join Jr. Thespians! The Jr. Thespian Society is an honorary organization through the Educational Theatre Association for high school and middle school theatre students across America, Canada, and abroad. EDTA's mission is shaping lives through theatre education by honoring student achievement in theatre and enriching their theatre education experience.

As this is the inaugural year for Jr. Thespians at Babcock Neighborhood School, we will also be working together as a Troupe to create and perform in new events throughout the year. This program is a year long commitment to the Jr. Thespian program. Once a student is inducted into the program, they can continue to participate in Jr. Thespians throughout their 6th, 7th, and 8th grade school year. Jr. Thespian students will also earn credits toward the Thespian Program at the High School level.

We will have a list of important dates including after school rehearsals and performances and information regarding the District 6 Jr. Thespian Individual Events Festival as soon as it becomes available to me. I am beyond excited for all of our upcoming events and I look forward to working with you and your student throughout the year.

Troupe cost: \$250. This will cover the cost of induction, district registration, materials, and fees throughout the year. Please note that there will be additional fees as more events and festivals arise. Students involved in Jr. Thespian troupe will also participate in fundraiser activities to offset expenses.

If you have any questions or concerns please email rdemayo@babcockneighborhoodschool.org or call Rachel DeMayo at [\(239\) 567-3043](tel:2395673043).

Dramatically yours,
Mrs. Rachel DeMayo

Grades: 6th-8th

Attributes: Public Speaking, Improvisation, Communication, Timing, and Teamwork.

Teacher: Mrs. Rachel DeMayo

Day of Week: Wednesday

Pricing: \$250 per **YEAR** (Additional Fees may arise throughout the year, fundraisers are planned to offset them)

Pokemon Trading Card Game Club

Do you, as a young trainer, want to be the very best like no one ever was????

In this club students (Pokemon Trainers) will learn the basics of the Pokemon Trading Card Game, how to build a deck, and some advanced tactics! Students will assume the role of a Pokémon trainer and use their Pokémon to battle against their opponents. The semester will be full of tournaments and prizes! All Trainers will receive a 60 card competition ready deck, 70 competition grade sleeves, a deck holder, 6 booster packs, and competition grade dice!*

(*There is a supply fee associated with this class and if your child has previously been in a club or summer camp most of that fee can be cut if their deck is still intact. Yay!)

Grades: 2nd and up (Trainers must know how to read and do basic quick math)

Attributes: Strategy, Patience, Swift Thinking, Basic Quick Math, Reading Comprehension

Teacher: Mr. Cameron Smith and Mrs. Stacie Smith

Day of Week: Wednesday

Pricing: \$175 per Semester (Supply fee - \$25 for Returning Trainers and \$50 for New Trainers)

Master Cook, Kids Edition

Why are there so many types of spatulas? What does sifting flour do? Can there be too much butter? These questions and many more will be answered and demonstrated in Master Cook After-School Program!

In this After-School Club we will be learning basic Nutrition, Food Theory, and of Course.... Culinary Skills! This program will include homework as well, the delicious kind. We will be learning different techniques, skills, and recipes at the school and then every other week the goal is for the students to create an entire meal for their family to enjoy! (Recipes and a Grocery List will be sent home with students :)

Grades: K-5th

Attributes: Multi-Tasking, Following Instruction, Independence, Serving and Thankfulness.

Teacher: Mr. and Mrs. Cameron Smith

Day of Week: Wednesday

Pricing: \$175 per Semester (Supply Fee - \$50)

Drama/Theatre Sports

Do you have a knack for memorization? Are you pretty quick on your feet? Do you enjoy costumes? Do large crowds of people watching you light a spark in your soul that makes you give it all you got??? Then look no further! This is the class for you!!!

We will be rotating each week between learning Theatre/Theatre Sports and preparing for our Christmas play, "An Elf's Lament."

Theatre and Theatre Sports Week: One of the easiest ways to explain Theatre Sports is to reference the hit TV Show "Whose Line is it Anyways?" (You can reference [youtube.com](https://www.youtube.com) for clips) Every Theatre/Theatre Sports week we will be working on our timing, stage presence and other important attributes mostly through the medium of Theatre Sports.

Christmas Play Week: Going over the play as a whole, auditioning for parts, practicing our lines, building set props, learning makeup, the children will be in charge of almost every aspect of the upcoming Christmas play.

Grades: 5th and below*

*(J-T's [Junior Thespians] are also welcome to join and we will deduct the cost of any day the Junior Thespians Club may need you)

Attributes: Public Speaking, Improvisation, Communication, Timing, and Teamwork.

Teacher: Mr. Cameron Smith

Day of Week: Thursday

Pricing: \$175 per Semester

Introduction to Photography

How does lighting work? Is shooting studio different from shooting on location? Is a DSLR better than an iPhone? How do you take an action shot?????

Stacie Smith a Professional Photographer of 12 years with hundreds of shoots under her belt will be answering these questions as well as teaching the basics of Photography. Your student will get hands on experience with DSLR's, learn all the rules of photography (and which rules can be broken), as well as learn the basics of Aperture, ISO Settings, Shutter Speed, Posing, and Lighting! This class will be extremely informative and hands on! (*Some work will be required throughout the course outside of class)

Grades: 6th and up (4th-5th may be allowed, if there is room available)

Attributes: Photography Trade, Communication, Timing, and Attention to Detail.

Teacher: Mrs. Stacie Smith

Day of Week: Thursday

Pricing: \$175 per Semester

TSA (Technology Students Association)

TSA is a nationally recognized program where kids prepare for competitions in biotechnology, children story writing, public speaking, solar sprint cars, aerodynamics, CO2 dragsters, web design and even robotics!

Basically, the coolest class ever! Taught by the Babcock Renowned teacher Mrs. McLain.

Grades: 6th-8th

Attributes: Public Speaking, Implementation of Concepts, Teamwork, and Techiness

Teacher: Mrs. Lori McLain

Day of Week: Thursday

Pricing: \$150 per Semester (\$25 Supply Fee)

Mixed Martial Arts

Jab! Cross! Hook! Flying Reverse Double Dragon Kick!!! In this Club we will be building on the foundations of last year's class and start progressing through the arts of Kickboxing and Jiu-jitsu. Your children will have the opportunity to gain actual rank! But if rank is not their speed, they will still have tons of fun!!!

Grades: All Grades

Attributes: Discipline, Focus, Dexterity and Strength.

Teacher: Coach/Sensei Cameron Smith and Tribe-K CSMA Instructors

Day of Week: Friday

Pricing: \$175 per Semester

Lift Heavy Things and Put Them Down

(*said with thick Austrian Accent)

This will be an introductory look at the Physics and Techniques required to.... wait for it.... lift heavy things!

Strength Training 101: Curls. Military Press. Dumbbell Bench Press. Rows. Dumbbell Squats. Farmer Walks. And More!!!

There will be some light exercise required during the week as well... and maybe an extra serving of steak at dinner...

Grades: 4th and Up

Attributes: Strength, Endurance, Sticktoitiveness, Perseverance, Thick Austrian Accents, Delayed Gratification, and Diligence

Teacher: Mr. Cameron Smith and Tribe-K CSMA Instructors

Day of Week: Friday

Pricing: \$175 per Semester
